PUBLIC NOTICE No. 7(75)/IMPORT

(Import Trade Control)

Dacca, the 21st January 1975.

Subject—Basis of Industrial Licensing for January-June, 1975 shipping period.

In pursuance of paragraphs 6(b) and 10(b) and (c) of the Import Policy (January-June, 1975) Order, it is hereby notified for the information of all concerned that the basis of licensing for industrial raw materials including packing materials and spare parts during January-June, 1975 shipping period will be as follows:—

2. Licences will issue only to recognised units falling in the industrial sectors listed in Annexure I of the Import Policy (January-June, 1975) Order who held valid entitlements and on the recommendation of the sponsoring authority.

3. Licences to BASIC sponsored small industries will issue on specific basis and on the recommendation of the sponsoring authority.

4. I.W.T. operators, fish catching and fishing net manufacturing units, and mechanised boat building units will be licensed on specific basis on the recommendation of the sponsoring authority concerned. Licensing of marine diesel engines to such units will be done in a similar manner.

(345)

Price : 36 Paisa

5. Unless otherwise authorised, import of industrial spare parts will be permissible only against aid/loan/credit/barter according to basis being announced separately.

6. The expressions "Cash (Sight)" and "Cash (Deferred)" wherever occurring, will mean cash on sight payment basis and cash on deferred payment basis on minimum 180 days terms respectively.

7. Unless specifically authorised, import of items specified in List-II of the Import Policy (January-June, 1975) Order will be inadmissible and industrial consumers will meet their requirements of such items from import by TCB.

8. Unless authorised otherwise, imports of the industrial raw materials items listed below will be permissible against aid/loan/credit/barter only. The basis of licensing of such items is being announced separately as funds become available.

Sl. No.	Description of item.	ITC No.
1	Chemicals, all sorts, including Caustic Soda, Pigment and Dry Colours, Bleaching and Fullers Earth, Activated Carbon, Sulphur and Mosquito coil but excluding refined glyceline, aquapara and allyliosethic cynamite.	15/10, 11, 25/3, 4, 11, 17, 18, 28/1, 2, 4 to 14, 15(iii), 16, 29/1 to 13, 34/2, 3, 37/6, 38/3 to 13, 15, 16, 25/8, 32/4 and 5.
2	Dyes, all sorts, including dyes for textile printing and Vat dyes.	32/3 and 5.
3	Metal ferrous and non-ferrous	Respective ITC.
4	Stainless steel sheet, steel stripes and special steel	73/12.
5	Cinema carbon	85/27.
6	Raw materials for electric bulb industry	Respective ITC.
7	Board Duplex and Card Board	48/1.

9. Eligible Pharmaceutical industrial units will be allowed to import raw materials including packing material, up to 150 per cent. of their HYE. Imports will be authorised against aid/loan/credit/barter and also against cash (deferred) where no aid/loan/credit/barter source of financing is applicable. The specific source of import is being announced separately.

10. Industries listed below will be licensed up to 100% of their HYE. Imports of raw materials excluding those specified in list II of the Import Policy (January-June, 1975) Order, will be authorised against aid/loan/credit/barter from specific sources being announced separately and also against cash, if necessary.

1. Cigarette Industry.
2. Tea Industry.
3. Tanning Industry.
4. Frozen Fish Industry.

11. Requirements of glass industry will be licensed against IDA Loan as per basis being announced separately.

12. Requirements of soap industry, except for coconut oil, will also be licensed against aid/loan/(including IDA loan)/credit as per basis being announced separately.

13. Industries listed in Appendix I to this Public Notice will be eligible to import their raw materials, including packing materials but excluding items specified in List II of the Import Policy (January-June, 1975) on deferred payment basis against suppliers credit of minimum 180 days terms up to the percentage of their HYE indicated against each. Within its monetary ceiling so determined, an eligible industrial unit may also import industrial spares and raw materials listed against paragraph 8 of this Public Notice. This facility, however, will not be available where an item is to be licensed on specific basis. Eligible units may now submit proposals for import on deferred payment basis to the respective licensing counters according to the procedure laid down in paragraph 6 of the Import Policy (January-June, 1975) Order alongwith the recommendation of the sponsoring authority.

14. Except for the industries listed in paragraphs 3, 4, 9, 10, 11 and Appendix I of this Public Notice, raw materials/packing materials listed in Appendix II to this Public Notice may be imported by other eligible industrial units having valid entitlement for such items as recorded in their pass books, against cash (sight) up to the given percentage, as specified in Appendix II against each item, of their HYE for that particular item. Within its monetary ceiling, so determined, an eligible industrial unit may also import spare parts and raw materials/packing materials for which it holds valid entitlement as recorded in its pass book but which have not been listed in Appendix II, including items listed in paragraph 8 of this Public Notice but excluding items to be licensed on specific basis and items specified in list II of the Import Policy (January-June, 1975) Order. Eligible industrial units may now submit their licence forms according to the respective licensing counters alongwith recommendations of the sponsoring authority.

15. It is also clarified that paragraph 23 of the Import Policy (January-June, 1975) Order, permits recognised industrial units belonging to industries listed in Priority List I and II to import raw materials free of customs duties up to 100% and 50% of their half-yearly entitlement respectively, for each item as recorded in their pass books. Such additional imports will not be adjusted against the normal share of the unit in licensing under cash (sight) and (deferred)/aid/loan/credit and barter for the current shipping period.

16. Unless otherwise authorised, industrial units whose entitlements are fixed as new units or whose entitlements are enhanced, will be licensed in respect of such entitlements after approval of the Licensing Board from the next shipping period.
